

JERSEY WATERWORKS CONFERENCE 2021

DECEMBER 8-10, 2021 | COMING TOGETHER VIRTUALLY

SPONSORSHIP OPPORTUNITIES

Jersey Water Works is a collaborative effort of many diverse organizations and individuals who embrace the common purpose of transforming New Jersey's water infrastructure through sustainable, cost-effective solutions that provide communities with clean water and waterways, economic growth, and many additional benefits.

This year's annual Jersey Water Works Conference is a three-day virtual conference that will bring together more than 300 state and local decision-makers, practitioners, and stakeholders to amplify the importance of addressing New Jersey's water infrastructure, explore innovative solutions, and celebrate the Jersey Water Works collaborative as an effective, comprehensive approach to achieving statewide impact.

WHEN: Wednesday-Friday, Dec. 8-10, 2021: Session times vary

WHERE: Virtual—from wherever you are!

WHAT'S IN IT FOR YOU?

A great way to develop new relationships and gain exposure with potential and current collaborators, partners, and clients. Sponsorship levels vary and, depending on the level, can include a virtual exhibit, Jersey Water Works and Conference website listings, linked logo on conference emails, a short video, and social media recognition.

WHO ATTENDS?

The perfect mix of the private and public sectors: mayors and CEOs, township managers and corporate program directors, COOs and public finance managers, and engineers from towns and top regional firms, along with planners, contractors, environmental service providers, and community advocates—all of whom are influencers or decision-makers for how and with whom infrastructure projects will proceed.

WHAT TO EXPECT:

This year's virtual conference will feature discussions on priority issues, panels on local and regional water infrastructure challenges and opportunities, and breakout sessions, allowing for more in-depth analysis and conversation. Learn more about previous conferences here:
