

**JWW Membership Meeting  
Wednesday, July 13, 2022**

**COVID Guidelines:**

New Jersey Future and Jersey Water Works staff are committed to the health and safety of all retreat attendees and staff. There is an inherent risk of exposure to COVID-19 in any public place, and recommended safety protocols continue to evolve. The planning committee will adapt as needed by adhering to State and local guidelines. Individuals should evaluate their own circumstances and potential risk in determining whether they should attend events and what precautions they need to take.

For reference, here are links to state recommendations on when to [wear a mask](#), and [CDC Guidelines](#) for individuals who are experiencing COVID-19 symptoms or who have recently tested positive for COVID-19. By attending the retreat, you agree you will adhere to the state guidance in place for in-person gatherings on July 13, 2022.

As an extra precautionary measure, we encourage you to do a rapid test within 24 hours in advance of the Membership Meeting.

Check out Kean University [Health and Safety Protocols](#).
