

◆ CELEBRATING 10 YEARS ◆

JERSEY WATERWORKS CONFERENCE 2024

DECEMBER 13 ◆ THE COLLEGE OF NEW JERSEY ◆ EWING

The Power of Collaboration: Towards a One-Water Future Celebrating 10 Years

SPONSORSHIP OPPORTUNITIES

Every person, business, and community in New Jersey is a stakeholder when it comes to water infrastructure. It's impossible to overstate the importance of water to New Jersey's health, economy, and quality of life. The water we drink, swim in, boat on, and use in manufacturing is essential to our state's very being.

Jersey Water Works (JWW) members (over 600 strong) believe that smart infrastructure builds strong communities and share one overarching vision: *to transform New Jersey's water infrastructure*. We know that only through collaboration can this vision be achieved. There is no limit to the possibilities that we can achieve together, based on our shared knowledge, experience, and networks.

Help keep these efforts flowing by sponsoring the Jersey Water Works Annual Conference!

The Tenth Annual Jersey Water Works Conference will bring together over 250 state and local decision-makers, practitioners, and stakeholders to amplify the importance of addressing New Jersey's water infrastructure, explore innovative solutions, and celebrate the Jersey Water Works collaborative as an effective, comprehensive approach to achieving statewide impact.

WHEN AND WHERE:

Friday, December 13, 2024, 8:00 a.m.–3:30 p.m. at The College of New Jersey, Ewing. The venue includes an exhibit area where sponsors can network with conference participants.

NEW THIS YEAR: *Toast to Ten Years - After-Event Networking Reception, 2:30 p.m. - 3:30 p.m.*

MAKE A RIPPLE EFFECT FOR GOOD:

Support a great cause and gain exposure with potential and current collaborators, partners, and clients by sponsoring the most popular event of the JWW collaborative. Our newsletter subscribers and social media followers are an audience of over 5,000.

Sponsorship benefits vary, based on sponsor level, such as registrations, exhibit, program book ad, listing on the Jersey Water Works website, a linked logo on conference emails, a short video, and recognition on social media.

WHO ATTENDS?

The perfect mix of the private and public sectors: mayors and CEOs, township managers and corporate program directors, COOs and public finance managers, and engineers from towns and top regional firms, along with planners, contractors, environmental service providers, and community advocates—all of whom are influencers or decision-makers for how and with whom infrastructure projects will proceed.

WHAT TO EXPECT:

The conference will cover pressing issues through informative discussions, insightful panels on water infrastructure improvement, and in-depth analysis sessions. Learn more about this year's program and previous conferences here: <https://www.jerseywaterworks.org/events/annual-conference/2024/>

QUESTIONS:

Contact Susan O'Connor, soconnor@njfuture.org or 609-293-3797.
